EDUCATIONS

IILM University | Greater Noida

Aug 2025

Bachelor of Technology (B.Tech)

CGPA : 8.48/10

- **Bachelor of Technology in Computer Science Engineering** (AI & ML)

SKILLS

Databases : MongoDB, Supabase, MySQL
Frameworks & Libraries : React.js, Tailwind CSS
Languages : English, Hindi
Programming Languages : C++, Python, JavaScript
Soft Skills : OOPS, Teamwork
Tools & Platforms : Git, GitHub, Linux

PROJECTS

Employee Dashboard | 🐙 Github 🌐 Website

Apr 2026 - Jun 2026

Developed a **MERN-based Employee & Task Management Dashboard**, overseeing **50+** employees and **200+** tasks through a centralized platform.

- Implemented **JWT authentication** and role-based access control, ensuring secure employee management and task assignment workflows.
- Designed a **Kanban board** with To Do, In Progress, and Completed stages, enhancing task visibility and team collaboration.
- Built scalable **REST APIs** and integrated frontend-backend services, deepening expertise in full-stack application architecture.

Technologies / Tools Used : MongoDB, Tailwind CSS, Node.js, Express, React

Trinethra Supervisor Feedback Analyzer | 🐙 Github

Jan 2026 - Feb 2026

Developed a **full-stack AI-powered feedback analysis system** that automates the evaluation of supervisor feedback transcripts for DeepThought Fellows, reducing manual analysis time from **45-60 minutes** to seconds using local LLMs (**Ollama + llama3.2**).

- Implemented a **decoupled MERN-inspired architecture** with a **React (Vite)** frontend and **Node.js + Express** backend for processing and analyzing transcripts.
- Generated **structured JSON outputs** including KPI mapping, rubric scoring, evidence extraction, gap analysis, and follow-up questions.
- Consolidated **multiple evaluation steps** into a single LLM call to significantly reduce latency.
- Ensured **reliability of structured outputs** by enforcing strict **JSON formatting** with fallback regex parsing for error recovery.

Technologies / Tools Used : Ollama, React, Node.js, Express, JSON

AWARDS & ACHIEVEMENTS

2nd Position – IIC 2-Day Bootcamp on Problem Solving & Ideation

Nov 2025

Institution's Innovation Council (IIC)

Received a **Certificate of Merit and Medal** for developing a **Safe Gaming Assistant App** that improves **teen online safety** through innovation, teamwork, and problem-solving.

Convolve 4.0 – Semi-Finalist (Generative AI Track)

Feb 2026

Consulting & Analytics Club, IIT Guwahati (Powered by IDFC FIRST Bank)

Semi-Finalist in the Generative AI Track at Convolve 4.0, a Pan-IIT AI/ML Hackathon organized by IIT Guwahati and powered by IDFC FIRST Bank. Developed an **AI/ML solution** utilizing Generative AI to tackle real-world challenges in collaboration with a team.
